

	<p>THE SCOUT ASSOCIATION OF AUSTRALIA, QUEENSLAND BRANCH Inc.  <b>NOMINATION FOR BADEN-POWELL SCOUT AWARD</b></p>	Form #:	D10
		Version:	07/2020
		Pages:	2

This form is to be used upon completion of the Baden-Powell Scout Award (BPSA) within the (old) Youth Program of Scouts Australia. Should you be completing your BPSA within the (new) Youth Program, please use the Baden-Powell Scout Award Notification form available from the Scouts Australia National Program Resources website, <https://pr.scouts.com.au/achievement-pathways/>.

Congratulations on completing your BPSA journey, having met all the requirements for the award set out in the Rover Scout Red Book. To complete your BPSA, you must have completed the St George Award, consisting of the Squire Training, Rover Skills, Service and Physical Badges and both the Personal and Community Development badges. Upon completion of your BPSA journey, you will seek a recommendation from your Rover Scout Unit to be awarded the BPSA and should be noted below on this form and in your Rover Scout Record Book.

The next step is to attend a BPSA reflection interview. The reflection interview **IS NOT** a judgement of the badgework you have completed during your BPSA journey. The BPSA interview acts as a way in which you can reflect on your journey as a Rover Scout. The interview allows you to discuss how you have developed as a person, including both your successes and struggles through your BPSA journey. Most importantly, the panel evaluates the way your character aligns with that of a BPSA Awardee.

To commence the interview stage, you must first ensure that all Rover Scout Unit approvals have been completed and all relevant information on this form and in your Rover Scout Record Book. When submitting your D10 and Rover Scout Record book for review and submission to the Baden-Powell Scout Award Support Team, please also include a brief explanation document outlining how you completed each of 6 sections of the BPSA. This should be no longer than 2 pages.

After this is completed, contact the Queensland Branch Rover Council (QBRC) Program Officer on [program@qldrovers.org.au](mailto:program@qldrovers.org.au) asking to complete a BPSA reflection interview. The Program Officer will confirm a date and time with you, in which the interview can be conducted. As an applicant, you must also organise for the following people to attend:

- A representative from your Rover Scout Unit
- Your Region Rover Scout Representative
- Your Region Commissioner
- QBRC Program Officer
- Two other observers who are either from the BPSA support team or two people who have witnessed your BPSA journey

Unless special circumstances apply, the D10 signed by your Rover Scout Unit and your Rover Scout Record book must have been received by the QBRC Program Officer, no later than your 26<sup>th</sup> Birthday.
