

CCC (Cubs Can Come)

to

9:00am to 1:00pm, 3rd July 2021

CCC is a great opportunity for Cub - Scouts aged 9.5 and older to come out to SSS and see the Scout Section in action and to get a taste of what is waiting for them in the next Section.

Normally a Patrol will invite Cub - Scouts from their own Group to come out and visit. Whilst at SSS they might have an opportunity to participate in:

- a ramble over the site and see all of the activities;
- some of the components at the Mudlark base. (They need to remember to bring some old clothes and shoes that they can change into before doing the activity and, a towel. They may get wet and muddy);
- Patrol challenges;
- gas cooking;
- camp oven cooking;
- playing a variety of games such as badminton, bocce or ultimate Frisbee;
- horizontal bungee;
- constructing a gadget at Pioneering;
- STEM activities;
- pedaling a berg buggy; and
- lunch in a Patrol campsite with the Patrol that invited them.

Cub - Scouts that would like to come and visit but don't have a Patrol from their own Group at SSS can still do so. There will be many Patrols at SSS so I'm sure that we can find a Patrol who would like to have some guests for Lunch.

CCC is not only for Cub - Scouts. We encourage as many Cub Leaders as possible to come out and join in also.
