The trip objectives are to provide an opportunity for:

- Scouts to explore the true Outback of Queensland and visit significant historical and geographical locations that would normally be out of reach of regular programming
- Scouts to develop their Outdoor Adventure Skills, network with others and to undertake a variety of Special Interest Area projects
- 4WD Qualified Leaders and Rovers in Queensland to upskill or refresh four wheel driving skills in remote locations

Ten day 4WD adventure to outback south west Queensland

Scouts Queensland Corner Country 4WD Adventure

Gear and Patrol System

- Patrols will be allocated prior to the trip, and each Patrol will utilise a provided patrol kitchen for preparing meals for the group.
- Participants will bring their own tents (small single person tents recommended), a compact camping chair, and personal eating equipment.
- Drivers will bring vehicle, additional water, first aid equipment, fridge/esky, shade, tables, and recovery equipment in-line with 4WD activity guidelines.
- An equipment trailer will be provided to carry the patrol kitchen.
- Further gear and equipment lists will be provided prior to the trip.

An amazing 4WD adventure exploring Outback Queensland
