

Understanding Individuals on the Autism Spectrum

This interactive workshop will provide participants with an understanding of autism and how it may impact individuals on the autism spectrum participating in Scouts.

We will explore strategies to support the inclusion of these individuals and maximise their participation in the Scouts Queensland program and associated activities.

Topics and discussion will include:

- The characteristics of autism and its impact of (strengths and challenges)
- Understanding the individual to enhance participation opportunities
- Practical strategies to support inclusion.

Questions and sharing of information/ideas is encouraged and highly desirable
