

Dear Geoff,

We are writing to you to express our appreciation and thanks for the acts of service that your members provided at this year's Brisbane Anzac Day Parade. Your organisation's dedication to honouring the sacrifices of our nation's servicemen and women is truly inspiring and commendable.

It is heartening to know that your members, both youth and adult, are taking an active role in preserving the memory of those who have fought for our country's freedom. Their contributions are a testament to the importance your organisation places on community service and the value of honouring our history.

This year 104 of your members (youth and adult) were registered attendance at the parade.

We would particularly like to recognise the significant service provided by 14 of your members who served for the duration of the parade in Youth Marshal roles, coordinating the activities of youth organisation members and ensuring that the event was conducted in a child safe, child friendly manner.

In addition to this contribution, 179 individual acts of service were delivered by youth organisation members directly to parade participants, including carrying paddles and banners for returned services organisations. Members of your organisation delivered 99 of these acts of service.

This is a remarkable achievement and a clear demonstration of your commitment to making a positive impact in your community.

Please accept our sincerest thanks and congratulations on behalf of all those who benefit from your service. Your efforts have not gone unnoticed, and we encourage you to continue to uphold the ideals of Anzac Day through your ongoing dedication to service.

Kind regards,

Clare Reardon & Amanda Nicholls
Senior Youth Marshals
