QUEENSLAND

Pioneering – Catapults

Equipment

6 bamboo poles
String for lashings
Rubber bands for lashings
& slings
Calico slings
Ping pong balls

Method

Use square lashings for all joints.

Attach the calico sling at 3 points to the catapult structure.

- Place a ping pong ball in the sling. Hold the fabric not the ball, pull back on the sling and let the fabric go.
- To go high pull the sling down and back.
- To go further pull the sling straight back straight.
